This is the lifestyle change you have been looking for...

This property offers you everything you could wish for: a modern contemporary open plan home, an established exotic fruit farm and spectacular views of the world's oldest living rainforest.

This home has been lovingly built to experience the beauty and majesty of the Daintree Rainforest. The home is elevated and with modern open plan living, beautiful hand made floors, fabulous stone top kitchen with dishwasher, all opening to an oversized covered deck overlooking the spectacular Thorntons Peak Mountain and enjoying sea glimpses and cooling ocean breezes.

Both good sized bedrooms open onto the covered deck and have their own bathroom, the master suite offering large robes and ensuite. The design of the home captures sea breezes and has fantastic cross ventilation. No expense has been spared on the build of this steel framed home, and inspection will delight.

The home is supported by a 5.5 Kva solar system with battery storage and a generator for backup. The oversized double lock up garage has roller doors and extensive storage. The property has mobile phone and
